

**School of Physics, University of Exeter.**  
**REGISTRATION FORM FOR LASER USERS**

All people intending to work with any class of laser, except for inherently safe Class 1 or Class 2 devices or embedded laser products such as those in laser printers or CD players, will require instruction/training. They should complete this form and return it to the department laser safety officer.

Persons who could or are going to modify Class 1M or 2M devices should also be identified, as they will require instruction/training.

**Class 3B and Class 4 laser workers should attend training before commencing any laser work and should also be familiar with the schemes of work/protocols provided**
