External Contract and Sponsorship

This checklist should be completed and filed with all applications for external funding or sponsorship, excluding those to recognised research councils.

1. Application / proposal title or identification

2. Applicant

3. I am satisfied that:

- i. in the contract identified above appropriate safeguards to academic freedom are in place, and
- ii. the publication of findings will not be compromised by the interests of the external body or, if there is restriction, compensation has been agreed by the Head of School.

4. I confirm that staff and students working on the project will be fully informed of any restrictions which have been, or may be, imposed.
