Group-Work Marking Scale

Mark Range	Group Work Marking Criteria (Marks are given to reflect performance for each aspect listed above)
86 - 100	At the standard expected for a polished professional team, perhaps with one or two minor deficiencies.
70 - 85	Outcome at excellent level. Could reach the standard above if several minor deficiencies were attended to.
60 - 69	Outcome at focal level. Generally good level of knowledge or ability, with only one or two significant deficiencies.
50 - 59	No major flaws, but a number of significant deficiencies. Showing acceptable levels of basic knowledge or ability.
40 - 49	Outcome at threshold level. Only one or two major flaws. Lacking effectiveness in some aspects.
20 - 39	A number of major flaws. Evidence of a lack of basic knowledge or ability.
0 - 19	Nothing approaching an acceptable performance.
